The Transactions of the District of PEPPERRELL.

Jan. 11, 1773. THE District very generally met agreeable to a Warrant issued out by the Selectmen, at the Desire of by far the greater Part of the Freeholders and other Inhabitants.

After choosing the Moderator; Voted unanimously, That the Pamphlet sent by the Town of Boston should be read at this Meeting. Which was accordingly read by the Moderator.

Chose nine Men to be a Committee to consider what is proper for this District to do at this alarming Time, respecting the Encroachments which have been made upon our civil Privileges, to make their Report at the Adjournment.

Then adjourned for one Week.

January 18. Met on Adjournment—the Meeting very full. The Committee delivered the following Report.

The Committee chosen by the District of Pepperrel, January 11, 1773. to consider what is proper for this District to do at this alarming Time, respecting the Encroachments made upon our civil Privileges; having maturely considered the Matter, beg leave to make the following Report.

1. That a Committee be chosen to correspond with the Committee of Correspondence at Boston, and other Towns, who shall, from Time to Time, lay before the District such Intelligence of Importance as they may receive. And,

2. We humbly propose the following Draft of a Letter to be sent to the Committee of Correspondence at Boston, to be signed by the Clerk, in the Name of the District: As also a Letter of Instructions to our Representative.

To the Committee of Correspondence at Boston.

GENTLEMEN,

YOU will be so good as to inform the Town of Boston that we have received their kind Letter, together with the Pamphlet setting forth our Liberties as Men, as Christians, and as Subjects; with the Infringements which have been made upon them. Desire them to accept of our hearty Acknowledgments for their Vigilance over our common Interests, and remitting to us so particular Account of the Innovations made upon our Charter Privileges. Assure them we are greatly alarmed at the large Strides which have been taken by the Enemies of our excellent Constitution toward enslaving a free People. We of this Place are unanimous—no less than One Hundred and fifty five signed a Request to the Selectmen to call a Meeting, tho' we consist of but about One Hundred and sixty Families; and when met, the fullest Meeting that was ever known upon any Occasion, and not a dissenting Vote or Voice.

We feel for Ourselves—we feel for our Posterity—we feel for our Brethren thro' the Continent. —We tremble at the Tho'ts of Slavery, either Civil or Ecclesiastic; and are fully sensible of the near Connection there is between Civil and Religious Liberty: If we lose the former, the latter will not remain. Our Resentment, (not to say our Indignation) riseth against those, let them be in what Station soever, who dare invade our Natural or Constitutional Rights. Tell our Brethren of Boston, that we entirely agree with them in their Sentiments transmitted to us, both with Respect to what are our Rights, and those Infringements which have been made upon them; and stand ready to co-operate with them in all Measures warranted by the Constitution, or the Law of Nature, for the Recovery of those Privileges which have been unreasonably and unconstitutionally wrested from us; and for the Establishment and Security of those we do enjoy——offering up our unfeigned Desires to the all-wise God, that he would, in this Day of Darkness, be a Lamp to our Feet, a Light to our Path, and graciously direct to those Measures which may be effectual for this Purpose.

To James Prescott, *Esq; Representative of the Town of* Groton, *and of the Districts of* Pepperrell *and* Shirley.

SIR,

WE his Majesty's most loyal and dutiful Subjects, the Freeholders and other Inhabitants of the District of Pepperrell, legally assembled, January 18. 1773. Being ever ready to give due Assistance and Encouragement to Government in a constitutional Way; at the same Time greatly concerned, that the Rights and Privileges of British Subjects (our Birth-right, and the noblest Inheritance left by our Fathers) may be securely enjoyed by us, and transmitted entire to our Posterity; cannot but be greatly affected at the frequent Innovations which have been made on our happy Constitution: The Particulars of the Encroachments made on our Liberties, we shall not at this Time enumerate, but refer you to a Pamphlet sent from Boston to every Town in the Province; which, we think, very justly states our Rights, and the Incroachments made on them. We therefore, who are no small Part of your Constituents, do desire and expect that you exert yourself, in the Great and General Assembly, to the utmost of your Ability, for the re-gaining of such Privileges as have been unjustly wrested from us; and the establishing those we do enjoy. We trust you will be ever watchful that you be not induced by any Means to consent to any Vote or Votes in the General Assembly, that may have a Tendency to weaken our constitutional Rights and Privileges, or ever in Time to come be made a President of to the Disadvantage of us or our Posterity.

Presenting the above Instructions to your wise Consideration, we wish that you and all true Friends to the English Constitution, may be under the divine Direction; that you may be led in the Paths of Truth and Equity, and never be drawn aside from seeking the Welfare of your Country.

The above is respectfully offered to the Consideration of the District, by your humble Servants,

William Prescott,
Nehemiah Hobart,
Edmund Bancroft,
Charles Whitwell,
Henry Woods,
William Green,
Phinehas Parker,
Isaac Woods,
Ephraim Lawrence.

Voted unanimously to accept the Report of the Committee; and accordingly chose Captain William Prescott, Lieut. Henry Woods, and Mr. William Green, as a Committee of Correspondence.

Ordered that the Clerk record the Letter of Instructions to the Representative, and send an attested Copy to James Prescott, Esq; as soon as may be.

Voted, That our Committee of Correspondence transmit to the Gentlemen Committee of Correspondence at Boston, the whole Transactions of the Meeting.

The above is a true Representation of the Transactions of the District of Pepperrell.

Attest. JOSIAH FISK, *District Clerk.*

The Substance of a Petition presented to the General Court the first last Session.

A Petition of *Seth Sweetser* and others, Proprietors of a certain Tract of Land situate in the County of Lincoln in the Province of Massachusets-Bay, at or near a Place called Pemaquid in the Eastward Parts of said Province, granted by the Council of Plymouth in Great Britain in the Year 1631, to Robert Aldsworth and Giles Elbridge, known by the Name of Pemaquid Lands, sheweth, That they and their Ancestors and others have been at great Pains and Expences in making Surveys, Plans and Divisions of said Land, and in bringing forward Settlements and making Improvements there, and in many other ways in managing, ordering and disposing the Affairs of said Pemaquid Propriety or Company for a course of 30 Years past; That in the course of these Transactions, they have frequently voted to raise Monies for necessary Purposes, and have ordered such Sums to be laid and apportioned on the several Proprietors according to each Proprietors Interest in the Land and to strict Equity; and have stated Accounts, paid and received Monies, &c.—But in some Instances through Error and want of Information in the Law in voting Sums of Money to be raised, and in forming Assessments of those Sums upon the Proprietors, they have not as they are now advised conformed in all Things to the strict Regulations of the Law, though they have in all Respects conformed to the Principles of Equity and good Conscience, as will appear by their Books of Records, Proceedings and Accounts: But that some of said Proprietors have not paid their respective Quotas and Proportion of the Expences and intended Assessments, but are considerably in arrear; but on Account of the Irregularities aforesaid the Proprietors are informed that they cannot proceed to collect and levy said Quotas or to make Sale of the Lands of delinquent Proprietors for the Payment of their just Proportions, which are still in arrear and unpaid, without great hazard of Law-Suits and Perplexities: Wherefore the Petitioners pray for a Ratification of their past Proceedings, and that the said Company or Propriety may be impowered to proceed to collect and levy the Sums that are still in arrear by Sale of the delinquent Proprietors Lands or otherwise according to Law; any want of Conformity to the strict Regulations of the Law relating to the Votes, Assessments, Proceedings of Proprietors of common and undivided Lands notwithstanding.

In the House of Representatives, February 24. 1773.

READ and Ordered, That the Petitioners notify all Persons concerned, by inserting the Substance of this Petition and Order in *Edes & Gill's* and *Draper's* News Papers three Weeks successively, to shew Cause, if any they have, on the third Wednesday of the next Session of the General Court why the Prayer thereof should not be granted.

Sent up for Concurrence,

T. CUSHING, Speaker.

BOSTON, April 19, 1773.

Since our last arrived here the Captains Cartwright, Scott, Callahan and Coffin from London; and Captain Moth from Liverpool. The Vessels from London leaving the Downs with Capt. Coffin, mentioned in our last, have brot no later Advices.

In Capt. Scott came Passengers, Mr. Richard Smith, of this Town, Merchant, and his Lady.

In Capt. Cartwright, came Capt. Pitcairn, and Mr. Peter Cunningham.

Capt. Harvey came Passenger in Capt. Moth, from Liverpool, as also Mr. George Dobson, senior, and Mr. George Dobson, junr. with their Families, and several of his Constituents, who we hear intend to purchase Settlements either in this Province or Nova-Scotia. The whole Number of Passengers were 12 Men 8 Women, and 8 Children.

His Majesty's Writs are issued for convening a Great and General Court or Assembly of this Province to be held at the Town-House in Boston, on Wednesday the 26th of May next, agreeable to Royal Charter.

Extract of a Letter from a Gentleman in London, dated Jan. 15, 1773.

"I am extremely obliged to you for the Pamphlet and Papers inclosed in your last. I cannot describe how much I am pleased with the Spirit with which the Inhabitants of the Town of Boston oppose the Infringements of your rights, and hope every town in the province will harmonize with them. From the justice of the ruling powers in this country you are to expect nothing; from their fears and necessities, every thing. The last Signal act of Lord Bute's Administration was his declaration of war against the Caraibs; it is impossible to conceive a measure so wicked in its principle, and weak in its plan. His letters are now before the house."

Captain Prince Barker, on his Passage from Cape Fear, North-Carolina, on the 28th ultimo, spoke with the Brig Nancy, John Ingraham, Master, bound thither, within a League of the Bar, all well.

We hear by a Person from Halifax, That there is a Brigantine called the New Gaspee, between 60 and 70 Tons Burthen, Eagle Deck'd, a Lion Head, carries a Forestopsail Gallant Yard, and Main-top-sail-Pole, sitting out there, for the base Purpose of going into every Harbour and Creek between that Place and this, which it is thought will be a more proper Method to take the fair Trader in his honest Industry, and pilfer him of all he has in the World; as no Body will suspect that said Vessel, without any Signs of Gun-ports, &c. is in the King's Service. It is therefore hoped that every Person in the least Danger of being hurt in Circumstances, will take Warning by this, and be looking out most vigilantly for those pimping Rascals, those Locusts of America, and be ready to receive them in such a Manner as they shall think the Nature of their errand Demands.

Last Saturday Evening departed this Life, after a lingering Illness, Mrs. Hannah Jones, Consort of Mr. William Jones, Apothecary, and eldest Daughter of Mr. John Reed of this Town, in the 20th Year of her Age.—The Death of one so amiable and virtuous, in the Bloom of Years; a Mother torn from a tender Infant; a distressed Husband, and weeping Parents, must in any Sphere of Life, exhibit a Scene of Woe truly affecting.

"He best can paint 'em, who shall feel 'em most."

Her Funeral is to be on Wednesday next, when her Friends are desired to attend.

A CARD.

AGREEABLE to Request, T. Young will favor the Public, in the next Spy, with a mild, liberal, sensible and moderately *Grammatical* Explanation, of the kind and generous Treatment he has received from several Persons to whom OBSTETRICUS FURIARUM may probably be accounted no improper Appellation. He has read the infamous Libel upon the Species, recommended by Mr. Draper, and, a doubt that were it a just Representation of their general Character, it might tend to keep such Prostitutes better in Countenance.

ON WEDNESDAY NEXT,
At TEN in the Morning,
Will be Sold by PUBLIC VENDUE,
At the Auction-Room in *Queen-Street*,

A Variety of Chinces, Callicoes, and printed Cottons, Irish Linens of all widths, Manchester Cotton Checks, a variety of Ribbons, Velveretts, Broad Cloths, Cambricks and Lawns, a few pieces damaged Garlix and Dowlasses, and a variety of other Articles.
